PROFESSIONAL EXPERIENCE

United States Marine Corps, Camp Pendleton, CA

July 2022 - Present

Battalion Logistics Officer, Major

- Primary Logistician responsible for the sustainment, maintenance, transportation, health services, and general engineering of 1,100 personnel and over 3,000 pieces of equipment totaling \$170,000,000. Responsible for the mentorship, training and evaluation of 85 enlisted Marines and 4 commissioned officers. Acted as Operational Planning Team lead and developed Physical Network Analyses, Material Readiness Briefs, Concepts of Logistics, and staff products use to inform commander's decision-making cycle. Currently deployed to Okinawa, Japan.

United States Marine Corps, Embassy Security Group, U.S. Embassy Thailand

July 2018 – June 2021

Operations Officer and Region Executive Officer, Captain

- Responsible for administration, fiscal management, and security operations for the Marine Corps Embassy Security Group in Southeast Asia spanning across 18 countries and 22 embassies and consulates. Regularly briefed and coordinated with the Department of State across the Region. Supervised the inspection of 13 functional areas and developed and implemented welfare programs across the force that resulted in increased operational capability.

Marine Wing Support Squadron, Miramar, CA

July 2015 – June 2018

Assistant Operations Officer and Company Executive Officer, Lieutenant

- Planned, coordinated and supervised the deployment of over 200 aviation ground support Marines to Kuwait in support of Operation Inherent Resolve. Filled the role of Executive Officer for companies in Kuwait and Bahrain responsible for administrative and operational oversight of material readiness, logistical support to ground and aviation assets and task analysis and capability employment.
- Served as Officer-in-charge for a Combat Engineer Detachment in Al Taqaddum, Iraq ensuring mobility and survivability of a multi-national task force.
- Served in primary planning roles for the rebuild of the Catalina Island Runway and multiple training operations in California and Arizona focusing on expeditionary airfield operations, bulk fuel support, fire and rescue, heavy equipment and motor transportation support, and combat engineering.

LEADERSHIP & SKILLS

- I have a multifaceted leadership style that has been cultivated through operational experiences as an enlisted Marine in Afghanistan, Romania and Bulgaria and as a commissioned officer in Thailand, Iraq, Bahrain, Kuwait and a dozen other countries while stationed in Southeast Asia. I am balanced, flexible, and cooperative and I believe in team work.
- Courses and Certifications: Top Secret Security Clearance, Command and Staff College, Advanced Expeditionary Logistics Instructor, Maritime Engagement and Crisis Response, Expeditionary Warfare School, Legal Officer, Joint Maritime Prepositioning Force Staff Planner, Amphibious Warfare Indoctrination, Anti-terrorism Level II, Rapid Response Planning Process, Logistics Officer Course
